MEMORANDUM
SMD – ROMO No. 744 s. 2024

FOR : All Regional Directors
All Provincial Directors

FROM : The Executive Director
Regional Operations Management Office

DATE : 21 August 2024

SUBJECT : Advisory on the Manual Attendance Taking for the
Training Implementation

In view of the issuance of Memorandum No. 492, s. 2024 by the Information and Communication Technology Office re the Advisory on the technical issue of BSRS facial registration module, this is to inform all Regional and Provincial Offices that starting 14 August 2024, manual attendance taking (using the Annex N of TESDA Circular No. 004, s. 2024) will be accepted and shall be considered valid as an attachment for the processing of billings.

Once the ICTO issues a memorandum confirming the resolution of the technical issue with the facial recognition module, the use of manual attendance will be discontinued.

For your information and reference, please.

MEMORANDUM

No. **492** s. 2024

FOR : The Executive Director (Director IV)
Regional Operations Management Office (ROMO)

The Regional Directors (Directors IV)
All Regions

FROM : The Executive Director (Director IV)
Information and Communication Technology Office (ICTO)

DATE : 20 August 2024

SUBJECT : Advisory on the technical issue of BSRS facial registration module

On 14 August 2024, the BSRS facial feature encountered a technical difficulty which disabled the acceptance of new facial registrations. The issue has not yet been resolved as of this writing.

Rest assured that we have already been working to resolve the matter. We will issue another advisory after the matter is resolved.

For your kind information and guidance.

VINCENT ALJON A. CIFRA, CESE
